OUR PROJECT

3D ShapeSpark

3D ShapeSpark is a **website** that offers high-quality **3D images** of Exhibitions, Office Spaces, and Industrial Real Estate, allowing users to vividly experience and visualize these spaces for design, showcasing, or advertising purposes.

Tosi Coin App

TSI (TSI) is the primary **digital currency** for Japanese organic supermarkets, utilizing the **Binance Chain platform** (BEP-20).

Users can create TSI Wallets, exchange TSI with popular digital assets, and earn passive income of up to 22% monthly. TSI coins are used for supermarket purchases and potential future applications.
